

BOSCH

Invented for life

Bosch Battery Tools

Convenience Redefined

Quality Hit. Budget Fit.

Bosch Heavy Duty

Designed to outlast all your demands.

HEAVY DUTY

GSR 120/140/180 LI/GSR 18 V-EC

More Power. More Robust.

WHY THIS

01

Affordable

Bosch quality at affordable price!

02

Durable

Designed with robust housing and battery cell protection

03

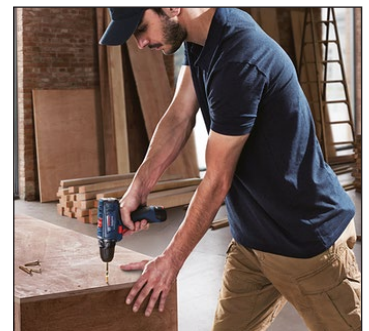

Highly Serviceable

Motor has changeable carbon brushes for easy maintenance and lower TCO

TARGET USERS

- Furniture makers
- Automobile
- Electrical panel fixing

GDR 120 Li/GDR 14.4/18 V-EC/GDX 14.4/18 V-EC

High on efficiency! Low on price! Powered to bolt!

WHY THIS

01

Affordable

Bosch quality at affordable price!

02

Durable

Always the right power for variety of applications with 2-level power control

03

Highly Serviceable

Easy maintenance, handling and compact design with insert battery

TARGET USERS

- Auto ancillary assembly
- Modular chair assembly
- Modular kitchen installers
- HVAC installers
- Door & window installation

GDR 120 LI

Robust design and easy to repair

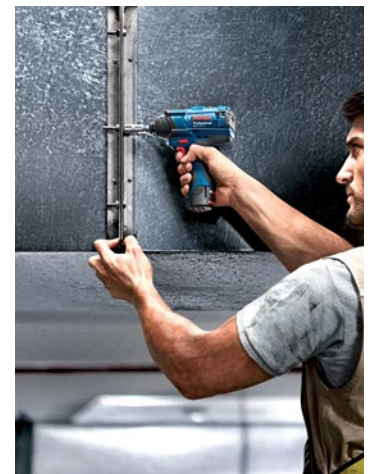

4 screws to connect tool head and housing

Higher visibility of working area

Due to LED light under bit holder

Compact design

Due to shift from 10.8V slide in pack To insert pack platform

GDS 14.4 /18 VLi/18 V EC/18 VLi HT/GDS 250 Li-ABR

Highest speed and endless power for tough jobs

WHY THIS

01

Affordable

Bosch quality at affordable price!

02

Durable

Always the right power for variety of applications with 2-level power control

03

Highly Serviceable

Easy maintenance, handling and compact design with insert battery

Optimized head length

Ideal for working in narrow spaces

White LED

Illuminates work places brightly

High Power

(160 Nm:14.4 V-Li/170Nm:18V-Li)
For outstanding progress

Compact and soft grip

For fatigue-free work

Bosch ECP

(Electronic Cell Protection)

Protects the battery against overloads, overheating and deep discharges

GDS 14.4 VLi

Highest speed in class

Guarantees speedy results

Robustness

Fully functional after 2-meter drop

Bosch Intelligent

Current management

Optimizes operation time per charge

TARGET USERS

- Tyre assembly
- Engine overhaul
- Scaffolding contractors

GSB 120 Kit/GSB 180 LI

More Power. More Robust.

WHY THIS

01

Affordable

Bosch quality at affordable price!

02

Durable

Designed with robust housing and battery cell protection

03

Highly Serviceable

Motor has changeable carbon brushes for easy maintenance and lower TCO

TARGET USERS

- Installers
- Maintenance & repair
- DIY Users

GSB 120-LI

Single Sleeve Chuck

Faster and easier bit change
More robust securing of bits

Two Speed Gearbox

Optimized for drilling and driving
High working progress and torque

Soft Grip

Optimized for functionality,
giving the tool easy handling

Electronic Cell Protection

Protects cells from undervolting,
excessive current draw and deep
discharge to prolong lifetime of batteries

GBH 180 LI/GBH 36 VLI

Built to be as powerful as corded hammers, cordless convenience made affordable

WHY THIS

01

Highly Serviceable

Motor has changeable carbon brushes for easy maintenance and lower TCO

02

Corded Performance

As fast as corded GBH 2-20. Same impact energy, same drilling capacity, same speed

03

Durable

Bosch quality at an affordable price!

TARGET USERS

- Pest control
- CCTV installers
- Rock climbing
- Electrician / Plumber

Pneumatic hammer mechanism

For high performance with compact size

Ready for dust cup

Helps to reduce dust for overhead and horizontal application

LED light

For more visibility of workplace

Flexible Power System

All batteries of the same voltage work with all tools in the range

GBH 180 LI

Compact body and lightweight (2.6kg)

For easy handling

High versatility 3 mode drive

For drilling, hammer drilling and chiselling

Quadrilateral shape through hole for strip

Easy handling for working on scaffolds etc.

GAS 14.4/18 VLI/GAS 18 V-1

Unleash the power with the powerful cordless vacuum cleaner

WHY THIS

01

Extremely intuitive!

Quick dust release & washable dust cup

02

Efficiency at its top

High cleaning performance & good run time

03

2-stage Cyclone technology

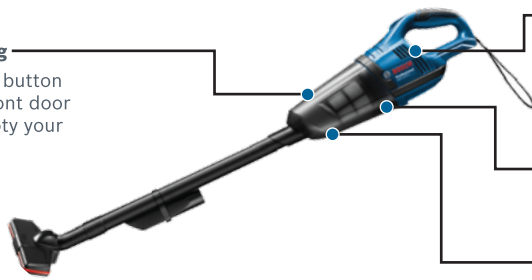

For continuous strong suction power - minimal loss of suction (traditional & comp. vacs lose a lot of suction power after short time usage)

Accessories

Extension Pipe Floor Nozzle
Crevice Nozzle

Quick cleaning

Just press the button to open the front door to quickly empty your dust cup

Clean-out filter & dust cup

Assemble & disassemble the dust cup in a just a few secs. All parts (excl. filter) are even dishwasher proof!

Ergonomic & balanced

Ergonomic handle for easy operation

2-stage cyclonic system

Barely any suction performance loss throughout usage

Flexible Power System

All batteries of the same voltage work with all tools in the range

GAA 18 V-24

Charge your USB devices anytime, anywhere!

WHY THIS

TARGET USERS

- DIY Users

01

Flexibility

Power your USB devices anytime, anywhere

02

Flexible power system

Compatible with all 14.4V and 18V Bosch Blue Li-Ion batteries

03

Optimal convenience

With 2 USB-ports, belt clip and heated jacket adapter

GAA 18 V-24

Optimal convenience
2 USB-ports, belt clip and heated jacket adapter

Compact, slim design
For easy storage

Flexible Power System
Compatible with all Bosch 14.4V and 18V batteries

Power anywhere, anytime
Turn your 14.4 V and 18 V battery packs into a power bank

Fast charging
Charges your smartphone within two hours

Technical Data	Unit	GAA 18 V-24

Built for Champs - Bosch Battery Technology

**FLEXIBLE
POWER SYSTEM**

The unique **choice**
between **high performance**
or **minimum weight** batteries

Built for Champs - Bosch EC Brushless Motor

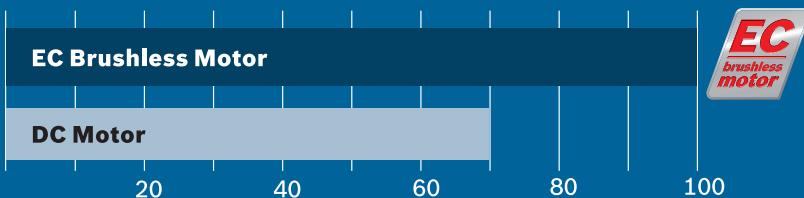

2X TOOL LIFETIME

Up to

30% MORE RUNTIME

*Compared to Bosch power tools with DC motor of same class

WARRANTY TERMS AND CONDITIONS

Power Tools from Bosch are guaranteed against all material and manufacturing defects for periods mentioned below, from the date of purchase*.

In the event of failure of the tools due to material and manufacturing defects, we undertake to repair the tools free of charge, provided we are satisfied that,

- ▶ The power tool has not been tampered with.
- ▶ Failure has occurred due to manufacturing / material defect.
- ▶ The power tool has been purchased from an accredited dealer.
- ▶ The claim has been referred to one of the Bosch Authorized Service Centres along with the power tool, guarantee card and original tool purchase receipt or invoice.

This warranty does not cover

- ▶ All normal wear and tear parts like carbon brush, bearings, o-rings etc.
- ▶ Installation to wrong voltage, over load and wrong application.
- ▶ Use other than in accordance to handling instructions.
- ▶ Unauthorized repair carried out.
- ▶ Damage due to any unit caused by accident, misuse, wilful damage, and normal wear, claims arising from loss, fire or other calamities caused by nature or in any way being tampered with.

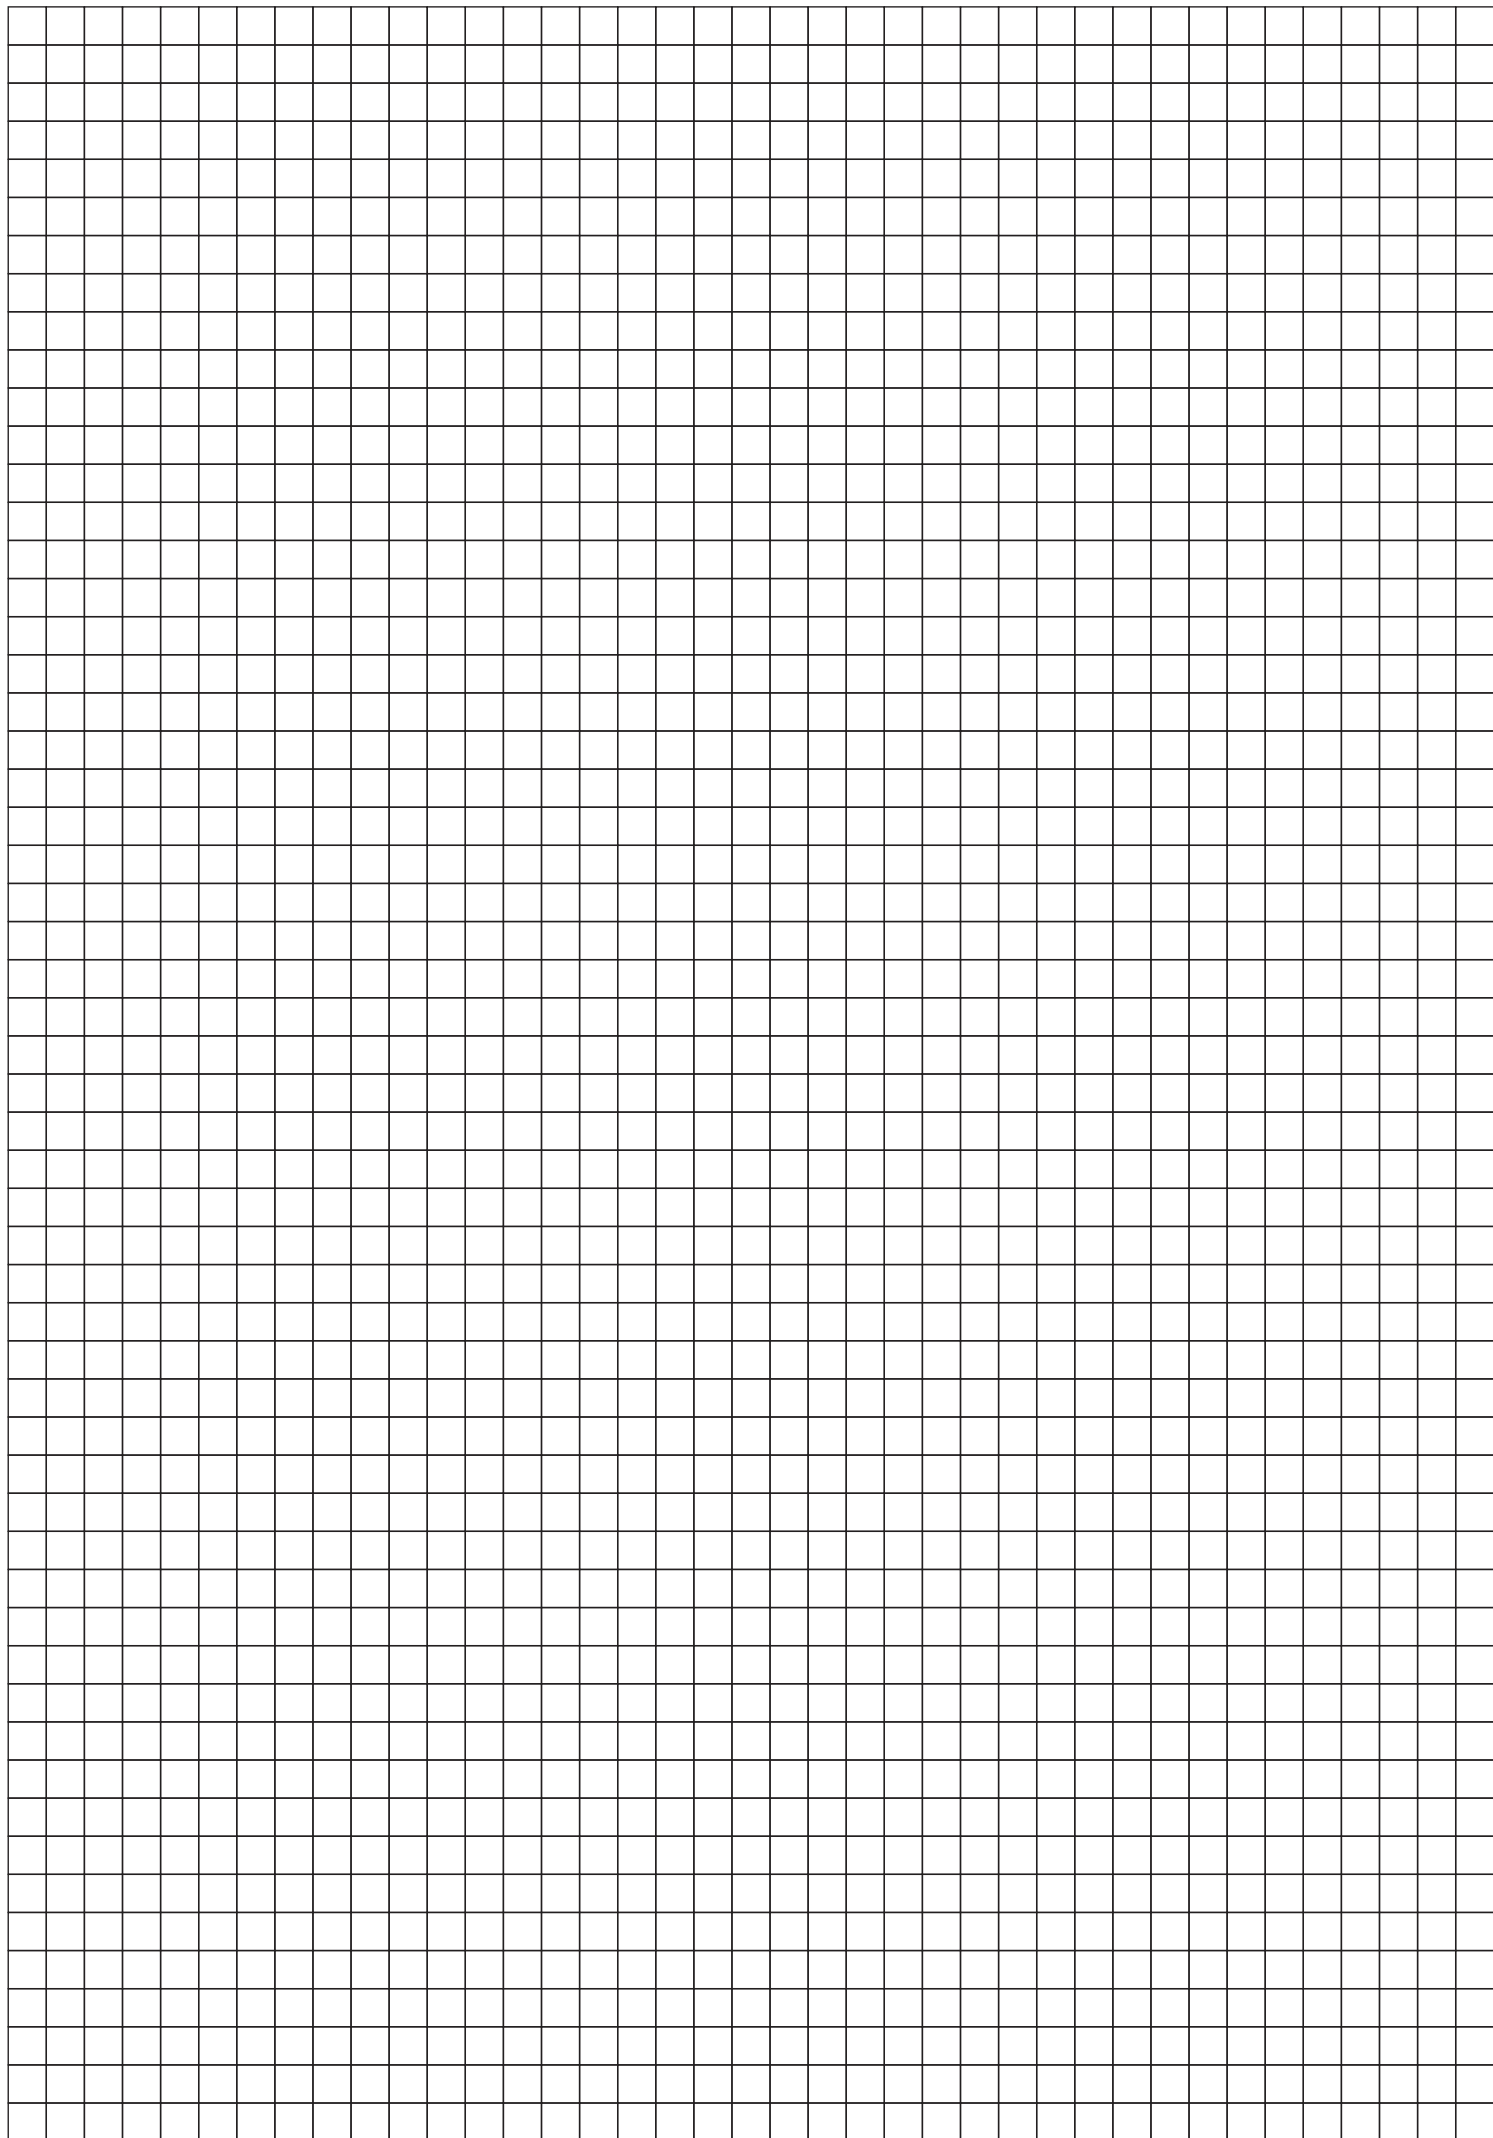

**HEAVY
DUTY**

**1 year
warranty**

1 year from
the date of purchase

6 months from
the date of purchase
